## Beloved Aniki (dedicated to Suzuki\_Akira)

### Beloved Aniki

My beloved aniki  
Do you know what you did to me  
Do you know that I care for you  
I'm your ally not your foe  
I am there for you when you fall  
Sometimes I fell like I've gotta catch them all  
I just wanted to let you know  
You are never alone...never alone...No, no  
So come on, come on  
Move a little closer  
Come on, come on  
I wanna hear you whisper  
Come on, come on  
Settle down in my love  
Cause I need you here  
I need you here with me  
Just like I catch you  
I sometimes need you to catch me  
Sometimes I fall...just like you  
And then I need my ally and not a foe  
I just wanna make you smile  
So let me try, even if it takes a while

So my beloved aniki  
Now I hope, you know what you do to me
