Dead...?

Dead...?

Hey guy, what's up?
Can you see the sky?
What a wonderful blue, huh?
And the sun
The light blinds me, you too?
Oh, look at the birds
They're playing in the trees
And there are some beautiful flowers,
red, blue, yellow...
Isn't it nice here, he?
What do you think?
Does this wake up memories inside of your heart?
I hope...
Are you happy?
I don't know where you are now
But I hope you can hear me
I'm always with you
Do you feel pain there?
Or is it peaceful?
Are you afraid?
Hey guy,
I know it sounds idiotic, but
I want to see your smile again...
