

Poems

Just a few

Von sweet-kirara

Kapitel 4: Love

I can't subscribe this feeling I have.
It's like butterflyes in my stomache.
Like boom, boom, boom in my heart.
A little bit like being a princess
and a bit more than a woman.
You see, it's hard to say how I feel for you!
All I really know is: my heart cries for you.
And my mind is listen to it.
