## Kapitel 1: Sweet, little lady

Sweet, little lady, all I want is you!  
Sweet, little lady, all I need is you!  
Sweet, little lady, all I got is you!  
Sweet, little lady, I love you!

Remembering the times, when we were one in two!  
Remembering the times, when you said I love you!  
Remembering the times, when we were two in one!  
Remembering the times, when you're gone!

## Kapitel 2: Help me to resist!

When the rain is gone,  
and life goes on,  
please help me,  
please help me to resist,  
please help me,  
help me to exist.  
Please help me,  
I tell you it's no risc,  
please help me,  
please help me to resist!

## Kapitel 3: The little old teddy-bear

I'm sitting on my window,  
rain is falling down.  
I hear the wind blowing,  
it's autumn in my town.  
The wind tells me a story,  
a story 'bout a boy.  
A boy who's fallen in love,  
and he's tellin' it his toy.

My little old teddy-bear,  
I can tell you what I feel.  
My little old teddy-bear,  
you make my heart heal.  
My little old teddy-bear,  
I love you so.  
My little old teddy-bear,  
I don't wanna let you go!

## Kapitel 4: Love

I can't subscribe this feeling I have.  
It's like butterflyes in my stomache.  
Like boom, boom, boom in my heart.  
A little bit like being a princess  
and a bit more than a woman.  
You see, it's hard to say how I feel for you!  
All I really know is: my heart cries for you.  
And my mind is listen to it.

## Kapitel 5: Hey boy

Hey you sexy boy! Yes, you!  
I looked after you since I saw you the first time!  
And today I'm selfconfident enough to talk to you!  
So, here I am, the lady who wants you!  
And I just can say: Take me if you want!  
Don't say no, it's your single chance!

Good boy!

## Kapitel 6: Good bye! And hello!

It's late at night and I am crying.  
Tears of loneliness and sorrow running down my cheeks.  
I wonder that I am not dying.  
My heart broke into thousand pieces at the time you said goodbye.  
It feels like pain will never end.  
Think I can't love anymore.  
Things you said and done are whirling 'round my mind.  
Never believe it!  
I see you, I feel you, but it's not real.  
I'm just dreaming of you and the good times we had.  
And now I realise that life will go on.  
A new love will come.  
And I will live till the end of my time!  
Good bye! And hello!

## Kapitel 7: You and me

Some things went into bad,  
Some things went wrong.  
I am very sad,  
But live goes on!

Was it just a love affair?  
Was it just a game?  
You know that it wasn't fair,  
And I will you blame!

Love is a game for two,  
I know that.  
Do you do?  
Do you know that?

What did you think,  
As you played games.  
What did I think,  
As I gave you names?

Never said that I love you,  
But that was ok,  
Cause you never said it, too.  
That was the right way!

I'm over it,  
Believe me on my own!  
I hate you a little bit,  
But you can never get me down!

## Kapitel 8: Happy

My heart, what are you doing to me?  
Why do you feel so heavy?  
There is no use to!

My mind, what are you doing to me?  
Why do you tell me there is something wrong?  
There is no use to!

My eyes, what are you doing to me?  
Why do you show me all the other boys?  
There is no use to!

My ears, what are you doing to me?  
Why do you let me just hear myself?  
There is no use to!

My heart, feel happy, he's the one!  
My mind, be happy, all is good!  
My eyes, look happy, he's the most beautiful!!  
My ears, listen happily, that he says "I love you" in much more ways than just words!

## Kapitel 9: Was it just a love affair?

Some things went into bad,  
Some things went wrong.  
I am very sad,  
But live goes on!

Was it just a love affair?  
Was it just a game?  
You know that it wasn't fair,  
And I will you blame!

Love is a game for two,  
I know that.  
Do you do?  
Do you know that?

What did you think,  
As you played games.  
What did I think,  
As I gave you names?

Never said that I love you,  
But that was ok,  
Cause you never said it, too.  
That was the right way!

I'm over it,  
Believe me on my own!  
I hate you a little bit,  
But you can never get me down!

## Kapitel 10: Endless Love / Hope

### Endless Love

Love is endless.  
Love is beautiful.  
But love isn't endless beautiful!

-----

### Hope

There are many ways to die,  
but more ways to live.
