### Kapitel 1: Rustle, Rustle

Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree

1.:  
I can hear all around me  
When I go through  
The forest  
I miss it so much  
Every time I hate it  
To live in the city  
And don't have  
Time for the nature

You say it doesn't matter  
What is left in here  
Never wanna something else  
Than to live with me

R.:  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree

Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes me free

2.:

I wish I would have time  
Only time  
For me  
And not for you  
You want that I live for you  
That you're my one and only  
But I  
Wanna time for myself

You say it doesn't matter  
What is left in here  
Never wanna something else  
Than to live with me

R.:  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree

Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes me free

And so I take all important things  
With me and go away  
I leave you now  
And change my life  
So that I can live now for myself  
And feel the nature around me  
When I go through it  
I wanna hear it rustle

R.:  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree

Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes me free

R.:  
Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush

Rustle, rustle makes the tree

Rustle, rustle makes the bush  
Rustle, rustle makes the tree  
Rustle, rustle makes the bush  
Rustle, rustle makes me free
