

Higurashi no Naku Koro ni

" Chirring Cicadas "

Von abgemeldet

Epilog:

Did you enjoy my story?. I hope so. It took a long time because I didn't do any breaks, so it was very exhausting.

I hope that you give me a good feedback.

I don't have to say anything else. I left you place for your feedback :)

P.S.: Die nächste Geschichte wird ganz kurz sein und außerdem auf Deutsch :)
