Pained being

Kapitel 4: Cause of your smile...

I was astonished from your smile...
I just forgot then for a while,
My mask to wear and you were shocked,
When everything that was once blocked...
Was suddenly so clear for you,...

My tears, my pain, my love for you.
My broken will, my agony,
and then your endless harmony..
Was shattered in it's ground so deep...
So your soul did start to bleed...

To hurt, to cry, to scream,
Like you're in your cruel'st dream.
Now you seem to see me real...
But did you want this here to feel?

My misery, so bad, so heavy...
My tears for you to see now clearly,
My pain so cruel, so strong,
You ask "Why you? What did you wrong?".

I don't know why or what I've done...

I just know my soul's now shattered,
You're horrified not like it mattered...
