Kapitel 1: The Forgotten

I wrote it to the song "Shake up Christmas".
Hope you enjoy it.

****The Forgotten****

Once upon a time

*I didn't know what to rhyme
the big city came slowly to rest
as I sat alone at my desk*

*Oh, I wanted to write
about the lies in my life
and the cries
and the dark without light*

*But instead
I lay in my bed, awake
thinking about others
and the wishes they may make*

So, once upon a time

*not too far away
a boy watched the dusk
the end of the day*

*And he leaned back
freezing to death
all alone
as white mist rose from his breath*

Just once

*he wanted a reason to smile
a great time
and a home once in a while*

Oh, and once upon a time
*some miles away
an elderly woman
watched the end of the day*

*Sitting on a hospital bed
feeling so cold
knowing that her death was near
as she was really old*

*And she wished
for the last time
to listen
to the song of youth from her prime*

And once upon a time
*now far far away
a man watched the dusk
the end of the day*

*Oh, he was far from home
sitting in the plane
flying to another work
as it began to rain*

*Just once
he wanted to see his son
sitting under a Christmas tree
singing and having fun*

Oh, once upon a time
*I didn't know what to rhyme
so I lay in bed, awake
thinking about a wish I could make*

*A day of happines
would be fine
maybe Santa grants me
my wish this time*

*For everyone a family
and a warm place
laughter, songs
and a loving embrace*

Once upon a time...
