Kapitel 17: connection

Why are you so cold to me?
It's not like I did something to you.
So why do you ignore me so much?

You think, I can not see,
what is lied and what is true.
I feel it, with each of your touch.

You are the man I love more than anything
and you ignore my feelings everyday.
You don't want to understand.

I know since our last meeting,
that there are thinks I just can't say,
but it's like, there is a red band...

connecting us...

against my will.
